**REQUEST FOR QUOTE FOR SUPPLY, TRANSPORT AND INSTALLATION OF 90M SELF-SUPPORTING STEEL ANTENNA TOWER FOR MORA (CAMEROON)**

Okapi Consulting is seeking qualified vendors to supply, transport and install 90m Self-Supporting Steel Antenna Tower with all accessories, foundation materials, lightning protection, grounding and all other construction requirements for Mora for Radio Ndarason Internationale (RNI) into the Lake Chad region.

As a critical information source for millions of listeners in the region, RNI has earned its reputation through the unwavering quality, reliability, and integrity of its broadcasts. Radio Ndarason Internationale plays a pivotal role in promoting peace and stability in the Lake Chad region, aligning with the African Union's mandate. RNI's programming, broadcast in the Kanuri, Kanembu, and Buduma languages, targets areas impacted by the Boko Haram insurgency. With over 7.5 million regular listeners on Shortwave and FM, RNI remains a beacon of hope and a source of vital information for communities in the region.

Interested suppliers are requested to submit detailed quotes along with information and/or documented proof as to how the potential vendor adheres and will be able to reach each of the evaluation criteria as well as the other specifications pertained in the Request for Quotes (RFQ)
