Radio Ndarason International Radio Equipment Specifications for Difa and Mora

Okapi Consulting seeks proposals from qualified service providers to deliver to the Ndjamenan RNI offices Radio Equipment for Difa and Mora for Radio Ndarason Internationale (RNI) into the Lake Chad region. As a critical information source for millions of listeners in the region, RNI has earned its reputation through the unwavering quality, reliability, and integrity of its broadcasts.

Radio Ndarason Internationale plays a pivotal role in promoting peace and stability in the Lake Chad region, aligning with the African Union's mandate. RNI's programming, broadcast in the Kanuri, Kanembu, and Buduma languages, targets areas impacted by the Boko Haram insurgency. With over 7.5 million regular listeners on Shortwave and FM, RNI remains a beacon of hope and a source of vital information for communities in the region.

Okapi Consulting invites comprehensive proposals from experienced service providers to supply Radio Equipment to the Ndjamenan RNI offices which will be installed by RNI appointed technicians or staff in studios in Difa and or Mora to facilitate radio transmission services for RNI. Interested suppliers are requested to submit detailed quotes for radio Shortwave and FM services, along with information and/or documented proof as to how the potential supplier adheres and will be able to reach each of the evaluation criteria as well as the other specifications pertained in the Terms of Reference (TOR).
